

SCHOLARSHIPS 2016-17 **UNDERGRADUATE AND GRADUATE**

COLLEGE OF LIFE SCIENCES AND AGRICULTURE

Listed below are several scholarships available to both undergraduate and graduate students in the College of Life Sciences and Agriculture and the Thompson School of Applied Science. Eligibility requirements are given for each scholarship. The amount of awards varies from year to year. Please read the scholarship descriptions carefully and apply only for scholarships for which you are eligible. For example, if you are an out-of-state student do not apply for scholarships that are only eligible to in-state students. Do not apply for all scholarships – be selective. Failure to do so may result in disqualification from consideration. Don't let that happen to you!!

Application forms are available in the LS&A Dean's Office (Rudman G05). Check in your Department's Main Office for additional scholarships that may be available in your department. All application forms should be submitted to: **Associate Dean Kim Babbitt, G05 Rudman Hall**, unless otherwise specified in the scholarship description below.

DEADLINE FOR COMPLETED APPLICATIONS IS MARCH 4, 2016.
LATE APPLICATIONS WILL NOT BE REVIEWED – NO EXCEPTIONS!

NOTE: If a criterion of eligibility states that financial aid will be considered, applicants **must** have an approved FAFSA form on file in the Financial Aid Office.

UNDERGRADUATE SCHOLARSHIPS

* *Denotes that the scholarship is available to both College of Life Sciences and Agriculture and Thompson School of Applied Science students.*

* **BEARCAMP VALLEY GARDEN CLUB SCHOLARSHIP**

GRADUATE SCHOLARSHIPS

CROP PROTECTION INSTITUTE SCHOLARSHIP FUND

One or more awards to one or more Master of Science or Ph.D. candidates engaged in agricultural chemical-oriented research are eligible, or whose major field of study is animal science. Two letters of recommendation, a brief summary of the research project, and a copy of transcripts from each candidate must be submitted. Academic records will be given more weight than financial need. The award will be made on a yearly basis, but may be continued for the same student, subject to annual review.

DICKIE FAMILY SCHOLARSHIP

To provide scholarship support to undergraduate or graduate students enrolled in the College of Life Sciences and Agriculture. Awards will be based on both academic merit and demonstrated financial need.

MARTHA AND THEODORE FRIZZELL FUND

Open to graduate students in the College of Life Sciences and Agriculture.

NEW HAMPSHIRE FEDERATION OF GARDEN CLUBS SCHOLARSHIP

Available to graduate students in the fields of plant biology, forestry, soil science, environmental conservation, wildlife management and water resources management. The applicants must be New Hampshire residents.

JAMES A. PURINGTON FELLOWSHIP

One or more awards to Master of Science candidates who have a strong interest in the field of agriculture and who are planning to pursue an occupation concerned with farming, farm service industries, extension work, or other educational work directly related to the field of agriculture. Students interested in animal sciences, plant biology, and adult and occupational education are eligible. Recipients must be in good academic standing, but the award is not to be based on academic excellence. Financial need is a factor, and students who hold a teaching or research assistantship are not eligible. Preference will be given to New Hampshire residents.

OTHER SCHOLARSHIPS

The following scholarship requires a different application form and procedure (SEE DETAILS BELOW)

BEN BRONSTEIN ENDOWED SCHOLARSHIP

Awarded to UNH undergraduate pre-med students with 26 or more credits based on academic excellence, community service, and leadership potential. Financial need is not a factor. Applications will be posted in early spring at www.unh.edu/premed-advising and must be returned to the **Pre-Professional Health Programs Advising Office in Hood House 102**. For more information and application deadline, please contact the Pre-Professional Health Programs Advising Office, (603) 862-2064.
