EQUINE STUDIES

Program Overview

The UNH Equine Program combines award-winning equestrian teams with strong academics and outstanding opportunities for hands-on learning, including on-site USEF/USEA recognized horse trials and PATH International premier operating center, which give students real-world experience in the equine industry. The program includes three options, Equine Industry and Management, Therapeutic Riding, and Equine Science.

Student Involvement

- Intercollege Dressage Association Team
- Intercollege Horse Show Association
- Therapeutic Riding Program
- UNH Fall and Spring Horse Trials
- Horsemen's Club

Internships and Research

All students are required to do an internship in order to graduate. Internships may be done locally, nationally, and even internationally. On-campus opportunities include:

- ANSC 795- Investigations
- Therapeutic Riding Program Internship
- Stable Management Internship
