COST SHARE POLICY

The NHAES Director's Office will contribute toward peer-reviewed publications resulting from NHAES-funded projects. Upon receipt of an invoice with details on relevant charges for the publication covered by this signed agreement, NHAES will cost share 50 percent of publication charges up to \$1,500 (e.g. when the total charge \$3,000). The authors will provide NHAES office copy of the shareable PDF file for our records and for potential distribution to selected libraries, archives, etc. See <http://www.colsa.unh.edu/aes/forms> for more information.

Please bring *this signed form with the budget fund information filled in and a copy of manuscript or email it to Lori G. Wright*, NHAES Communications Coordinator, lori.wright@unh.edu. She will confirm presence of the acknowledgment statement in the manuscript or on the proof. **The acknowledgment must include both the NHAES scientific contribution number and the USDA NIFA accession number of the originating AES project.** Lori will provide a signed form to the NHAES Project Director (corresponding author). When your manuscript is accepted for publication, charge to costs to your P-Card, and then provide the invoice, and this manuscript approval form to your P-Card manager in the COLSA BSC. She will transfer the charge, up to \$1500, to the appropriate NHAES account.
