

# JANE A. DOE

89 Main Street, Durham NH, 03824 • 603-862-2064 • 00000@wildcats.unh.edu

## EDUCATION

---

### University of New Hampshire - Durham, NH

*Bachelor of Science: Biomedical Science: Medical Laboratory Science*

**Expected: May 2016**

*Current GPA: 3.61*

- Honors student
- Dean's List: Fall 2012, Spring/Fall 2013, Spring/Fall 2014

## RELATED COURSEWORK

---

- Immunology/Serology (with lab)
- Mycology, Parasitology, Virology (with lab)
- Medical Biochemistry (with lab)
- Hematology (with lab)
- Molecular Diagnostics
- Body Fluids (with lab)
- Pathogenic Microbiology (with lab)
- Microbes in Human Disease (with lab)

## LABORATORY EXPERIENCE

---

- Inoculation of media with interpretation
- Isolation of organisms via quadrant streaking
- Gram staining, acid fast and capsule staining
- Immunoassay performance
- Electrophoresis
- Manual aPTT, PT procedures
- Manual blood smear and staining procedures
- Manual hematology differentials, smear evaluations
- Sysmex, Advia, Coulter Hematology analyzer experience
- Running and interpreting results from Chemistry analyzers
- Microscopy skills in Urinalysis, Microbiology and Hematology
- Rapid urinalysis tests, including confirmatory testing

## RELATED EXPERIENCE

---

### UNH Kinesiology Department – Durham, NH

**January 2015 – Present**

*Research Assistant*

- Perform successful phlebotomies to research enzyme level changes after exercise-induced muscle soreness
- Centrifuge samples and aliquot serum in correct volumes for analysis

### St. Joseph's Hospital – Bangor, ME

**June 2014 - Present**

*Clinical Phlebotomist*

- Correctly perform venipuncture technique to obtain blood samples
- Receive and process body fluids

### American Society of Clinical Pathologists

**January 2014 - Present**

*Student Member*

- Continually strengthen laboratory knowledge by learning about the most up-to date technology and newest findings within the laboratory

### St. Joseph's Hospital – Bangor, ME

**May 2014 – June 2014**

*Phlebotomy Internship*

- Practiced correct venipuncture technique following patients' consent

## CAMPUS & LEADERSHIP ACTIVITIES

---

### UNH Broomball, Basketball, Floor Hockey (Intramural) – Durham, NH

**January 2012 – Present**

*Member*

- Maintain a strong team dynamic by encouraging and developing self-esteem in my fellow teammates

### Up 'Til Dawn – Durham, NH

**September 2013 – December 2014**

*Member*

- Organized and hosted fundraisers for St. Jude's Children's Hospital to further cancer research
- Successfully raised awareness about childhood cancer

## ADDITIONAL EXPERIENCE

---

### Medical Laboratory Science Dept. – Durham, NH

**August 2012 – Present**

*Work Study Position*

- Perform Administrative support work for the department
- Maintain the teaching laboratory through cleaning glassware, instruments and benches
