

Subject: Your Name- Nutrition Educator Interview Thank You

Dear Ms. White:

I appreciate having the opportunity to speak with you today about the Nutrition Educator position at Maine SNAP-Ed. It was a pleasure to learn more about this position and the organization. I am confident that my skills and experiences will make me a valuable addition to Maine SNAP-Ed.

As mentioned, my past experience working with SNAP recipients at local farmers' markets allowed me to develop knowledge of SNAP as well as opportunities to provide healthy tips to shoppers. Additionally, my public speaking roles and creation of educational materials while working as a Peer Educator demonstrate my ability to communicate effectively with both the general public and collaborating organizations.

Thank you again for taking time to speak with me. Please let me know if I am able to answer any other questions or provide additional information about my qualifications. I look forward to hearing from you soon.

Sincerely,
